Creo dancers are required to take a minimum of two dance technique classes per week. One of these must be a ballet technique class. Please list the days and times of your technique classes:

_____

Every effort will be made to keep your child safe during class time and performances but unfortunately, accidents sometimes happen. To ensure that first aid can be given to your child immediately if such an incident occurs, please fill in the following:

I give full authority to the leaders of Creo Artists to administer first aid if my child should becomeinjured. In the case of any serious emergency, I give permission for my child to be taken to the emergency clinic. (We will endeavor to reach the parents before taking such a step.)

I agree to absolve the leaders of Creo Artists from any liability in connection with any injury sustained by my child before, after, and during Creo Artists season 2026.
I grant permission to photograph and videotape my child in classes and performance, and understand that this material may be used for promotional purposes.

We ask that during rehearsal and performance seasons dancers not participate in activities that may put them at high risk of injury. Examples of this would be skiing, snowboarding, etc. With a small team, every dancer is important and we ask that dancers take responsibility for their health and safety as they commit to this program.

Attendance at each rehearsal is mandatory for every dancer. We understand sometimes absences are unavoidable, however, this puts absent dancers at a disadvantage as they will miss crucial choreography sessions. Dancers who must miss a rehearsal due to illness or other reasons must book a paid make up class. If there is a date during our rehearsal season when you will be absent (family trip, etc), please list it below. All absences (other than illness) must be pre-approved prior to the start of rehearsal season as they will impact the whole group.

Absent dates:

Our tours are primarily booked through Creo participants reaching out into their communities. We ask each dancer to identify five locations to contact regarding the upcoming tour. Details on how to do this will be sent to you later, but for now, please provide the names of five locations (churches, schools, seniors' homes, community groups, where you would be excited to reach out and share the gospel through dance). Keep a copy of this list for yourself for later!
